He opposes God, oppresses the saints, possesses the lost who are foolish enough to give him their lives, controls governments and governmental systems, lies to accomplish his goals, cheats believers out of their God given roles as victors, steals all that he can, and destroys everything in his path that is not of power to stand against him.

He was created before creation, was called the anointed cherub, controlled a third of heavens angels, tried a coup against God, was cast down to earth with his minions in tow, accomplished the fall of creation, has been clearly seen throughout all of history, was soundly put to flight by Jesus, knows his limitations when God is concerned, understands he has but a short time left, will do everything he can in his remaining days to wreak havoc and death upon God's crowning jewel, will inhabit hell with the souls of men, will be the power of the seven years of tribulation yet to come, will be soundly defeated by Christ at the battle of Armageddon, will be cast into the bottomless pit for 1000 years during the Millennial Reign of Christ, will be loosed for a short season to gather together all who refuse to bow the knee to the King of kings and Lord of lords, will once again be defeated by the only Power he never conquered, and will be cast into the eternal flames of hell where he will be vanquished forever and ever
